

Wanda WorkSmart – Workday is Coming Announcement Video Transcript

Title Slide [cartoon animation of a Wanda typing on a computer at a desk]:

Live - Breaking News, from the desk of Wanda WorkSmart, Workday is Coming!

Scene 1 [animation of Wanda waving at the viewer]:

Hi, I'm Wanda WorkSmart! I will be your virtual guide for all things WorkSmart. When you see me, it means I have important information to share about Workday.

Scene 2 [animation of Wanda speaking to two coworkers at a desk]:

Based on our WorkSmart survey results, many of you asked:

- What is WorkSmart?
- What's in it for me?
- What's next?

Scene 3 [animation of Wanda speaking to two coworkers and jumping up and down with excitement]:

I'm glad you asked! Let's take a look!

Scene 4 [animation of Wanda explaining a diagram of two state legacy systems becoming Workday]:

What is WorkSmart? The WorkSmart project is the replacement of two state legacy systems with one unified system... Workday!

Scene 5 [animation of Wanda explaining information]:

What is Workday? Workday is a cloud-based human capital and financial management software that allows employees to perform many HR-related functions in just a few keystrokes!

Employees can easily:

- Update personal information
- Update tax withholdings
- Change benefit elections
- Request time-off
- Submit travel expenses
- View payslips
- Generate reports
- And more!!

Scene 6 [animation of Wanda speaking with two coworkers]:

Coworker 1: “Okay, but what does Workday *really* mean for us?”

Wanda WorkSmart: “Great question. Here are four ways Workday will benefit State of Iowa employees...”

Scene 7 [animation of Wanda jumping and an image of a cellphone displaying Workday logo]:

1. Access 24/7 – Make updates from anywhere, anytime, from any device! Workday EMPOWERS you to access your personal information with mobile access.

Scene 8 [animation of Wanda standing on a stack of papers explaining information to a coworker who is frustrated at a computer]:

2. Fast and Easy! Stop searching through multiple systems to find what you need! With one system, Workday makes it FAST and EASY to get the information you need.

Scene 9 [animation of Wanda cheering and an image of a stopwatch and chart]:

3. Real-time data! No more static data or overnight cycles! Workday allows you to update data in real-time, providing a current view of your information.

Scene 10 [animation of Wanda thinking and an image of a magnifying glass hovering over a webpage]:

4. Greater visibility! From onboarding employees, to understanding your total compensation package, Workday offers users greater visibility into the status of business processes so you can stay informed!

Scene 11 [animation of Wanda cheering]:

What’s next? Over the next few months, I will guide you through the State of Iowa’s transition to Workday by providing you with need-to-know information. Watch your inbox for my upcoming “Ask Wanda WorkSmart” and “Wanda Talks” series where I will be addressing real employee questions about Workday.

Scene 12 [animation of Wanda typing on a computer and saying Thank You]:
